Workplace Stars Welcomes Luyanda Finini as a Certified Consultant

Luyanda Finini, the Managing Member of Sisonke Training and Consulting Services, has become the official Certified Consultant for Workplace Stars and authorized provider of the Organization360 assessment tool. Luyanda discovered Workplace Stars after hearing that Bob Ebers, Founder was looking to expand globally. Bob Ebers says of Finini “Luyanda is a consummate strategic HR consultant and workplace expert. His extensive knowledge and experience in the field is an asset to globalizing Workplace Stars. As Workplace Stars first Certified Consultant in South Africa, Luyanda will lead the way in introducing the Organization360 assessment system.” Luyanda was especially interested in “the approach and methodology adopted by the organization in delivering on its people solutions.” He states that the High Performance-Engagement Model that Workplace Stars utilizes is “very universal and relevant to [his] consulting work in South Africa.” He and Workplace Stars share the common goal of organizational growth and improvement within all work places.

Finini has over 11 years of experience as both an internal and external consultant. In Sisonke Consulting, he focuses on the business strategy perspective for HR and Training. With this knowledge, he will be able to assist many work places with the Human Resource challenges they may face. Finini’s new involvement with Workplace Stars will create an international network that will be able to reach out to clients from all over the world.

More about Luyanda Finini

Luyanda is the Managing Member of Sisonke Training and Consulting Services based in South Africa. His experience includes an extensive background in the Human Resource Department and in the development of job and competency profiles as both an internal and external consultant. He has managed various sessions on the transformation of Public Service with Batho Peló (People First), Strategy Formulation, Performance and Change Management for the Eastern Cape Provincial Government, and Gauteng Institutions of Government. In addition, Finini has been extensively involved in the development and managing of the Organization Balanced Scorecard. Finini became a member of the Institute of People’s Management (IPM) National Convention Committee in 2007. He is also a Registered Chartered HR Practitioner in the South African Board for Personnel Practice (SABPP).

About Workplace Stars USA

Workplace Stars USA is a global research and management consultancy that provides premier business and advisory services. Its mission is to improve peoples’ lives, benefit society, and create STAR Organizations – 1 STAR at a time. The company was founded in 2007 to provide a simple, research-driven methodology that is used to understand and assess the internal health of organizations by using proprietary science-based workplace analysis tools to measure manager and employee engagement, loyalty and retention and drive key success metrics. Other offerings include free workplace reviews for both employees and employers and a provider community dedicated to creating STAR Organizations.
